WE HAVE LUCKY BUNS AND YOU CAN TOO!

They're not just burgers, they're Lucky Buns. Our selection of burgers is inspired by the flavors that are the standouts in American fusion cuisine. From our Asian inspired Original Lucky Bun, to the Southwestern New Mexico Lucky Bun, or the real Americana Happy Cow Lucky Bun, our signature is our sauces - all of which are handcrafted with love in small batches.

THE STORY BEHIND LUCKY GIRL CAFE

My daughter-in-law, Mary, is Vietnamese and Lao and we have a shared love of writing and cooking. A number of years ago she asked me to read a short story she was working on. In the story the central character is an Asian girl named Kat. She works for her single father at his restaurant, a Chinese restaurant/truck stop, which is famous for his hamburger. The restaurant is named Lucky's and the short story is titled *Lucky Girl*.

As I read the recipe in the story I asked Mary if this is a recipe she uses. She said she just made it up but had never tried it. So we did, and after some tinkering with the ingredients and processes, and perfecting the presentation, the Lucky Bun was born and Lucky Girl Café was created.
